ACKNOWLEDGEMENT AND SIGNATURE

I authorize investigation and certify that all statements contained in this application are true and accurate. In compliance with the Federal Privacy Act of 1974, the disclosure of the individual's social security number on this form is mandatory pursuant to North Dakota Century Code 43-50-02. The individual's social security number is used for identification and verification purposes. Penalty for the applicant not including the social security number on their application will cause the application to not be processed.
