(Janel makes the Board a copy of these documents) Schmidt tells the Board about the history of Krommenhoek and Neuberger with the NDSEB. “yes”. Porsborg asks if Krommenhoek will surrender his Journeyman’s license today. Krommenhoek agrees to surrender it today. The Board votes whether Krommenhoek can work as an Apprentice. The Board unanimously voted no.

Mayer asks for the Board’s input on Terry Neuberger. Brandenburg states that the Certs need to be completed. Hoffman agrees that the customers need their work completed and he doesn’t want to take the ability from Neuberger to complete those jobs. Roemmich agrees with all stated comments. Mayer proposes that Neuberger gets placed on a 24-month probation and that he attends the next board meeting – November 19th, with documents sent into the Board 1 month prior to the Nov 19th meeting. Brandenburg asks to wait on probation until the next meeting. He wants Neuberger to have the chance to clean up his certs and give the NDSEB the proposals they request. Hoffman agrees with Brandenburg. Schmidt asks Neuberger if he understands that the proposals are needed 1 month prior to the next Board Meeting. Schmidt asks that they get emailed to him. Schmidt tells Neuberger that the rules state that certs need to be pulled “before work commences”. Schmidt asks that Neuberger write the cert number on each proposal and if needed, take out any certs today that are needed for each proposal. Porsborg states to Krommenhoek that he will be sending another Informal Disposition and Agreement that will acknowledge the relinquishing of his Journeyman’s license. Krommenhoek gives his journeyman license card to Schmidt.
